ALTERNATIVE ADMISSION TRACT (AAT):

All students eligible for admission under the AAT will be individually considered based upon their educational transcript evaluation.

AAT for students who display the aptitude for success in the Doctor of Chiropractic (DCP), have a GPA between 2.75 and 2.99 and/or do not possess the required coursework. The AAT is intended to provide students who have earned academic degrees in non-science disciplines or who have completed 90 semester credit hours (135 quarter credit hours) of course work with a 2.75 to 2.99 GPA the opportunity to enter the DCP.

Applicants, who have earned a cumulative grade point average of at least 2.75 on a 4.0 scale for the required 90-semester or 135 quarter hours, will be reviewed by the admissions committee and may be admitted on an alternative admissions track.

Applicants with an Undergraduate degree in a non-Science curriculum (*not including Technology/ Engineering/ Math*) who have earned a cumulative grade point average between a 2.75 – 4.0 on a 4.0 grading scale will be reviewed by the admissions
